- 2). Significant mobility issues, must be able to ride in a car
- 3). Requiring community services input*
- 4). Prescribed 10 or more medications
- 5). Treated for chronic breathlessness
- 6). Aged 5 years or under

*Includes but not exhaustive list

District nursing/ palliative care / domiciliary physio / occupational therapy / community matron / speech and language / urgent care team / health visitor / baby weighing clinic etc

- I am hereby registering as an out-of-area patient at Westway Medical Centre
- I understand that this excludes me from home visits
- I understand that I need to be able to attend Westway Medical Centre if requested to
- I understand that, it is within the right of Westway Medical Centre to request that I register with a local GP practice if I state I cannot attend the surgery due to clinical situation or distance, may require home visits OR referral to local community services.
- I understand in this scenario I will be given 28 days to re-register with a suitable local General Practice
